EDUCATION

Kavayitri Bahinabai Chaudhari North Maharashtra University <i>Master of Computer Application</i>	Jalgaon, Maharashtra <i>July 2023 – April 2025</i>
Kavayitri Bahinabai Chaudhari North Maharashtra University <i>Bachelor of Computer Application</i>	Jalgaon, Maharashtra <i>June 2020 – April 2023</i>

PROJECTS

Learning Management System <i>MERN Stack, Cloudinary, Clerk, Tailwind CSS, Vite, Vercel</i> - Developed a full-featured Learning Management System enabling users to create, enroll, and manage courses with progress tracking. - Implemented secure authentication and authorization using Clerk/Clerk-React. - Integrated Cloudinary for efficient media storage and course content management. - Built a fully responsive and modern UI using Tailwind CSS and optimized frontend build using Vite.	Live
Online Ice Cream Parlour <i>MERN Stack, Mongoose, Tailwind CSS, Stripe, Razorpay, Cloudinary</i> - Built a full-stack e-commerce website for an ice cream parlour with secure user authentication and payment gateway integration. - Implemented backend using Express.js and Mongoose for data management and schema validation. - Integrated Stripe and Razorpay for secure online transactions. - Designed an intuitive and responsive frontend using React.js and Tailwind CSS.	Live
Excalidraw Clone <i>JavaScript, CSS, HTML</i> - Developed a browser-based drawing tool that allows users to create shapes, doodles, and sketches. - Implemented features like undo/redo, shape color customization, fill styles, and board export. - Focused on user-friendly UI and smooth drawing experience using JavaScript Canvas API.	Live

EXPERIENCE

Passion Software Solutions, Jalgaon <i>Full Stack Teacher (Internship)</i> - Taught and mentored students in full-stack web development covering HTML, CSS, JavaScript, React, Node.js, and MongoDB. - Guided students through hands-on projects and debugging exercises to enhance their coding skills. - Helped learners understand real-world application deployment using tools like Vercel and MongoDB Atlas.	May 2025 – August 2025
--	------------------------

CERTIFICATIONS

Front-End Web Development (Internship) <i>IBM SkillsBuild & CSRBOX</i> - Credential ID: IBM2212. - Completed hands-on internship focused on React, JavaScript, HTML, CSS, and Bootstrap. - Worked on real-time web development projects improving front-end proficiency.	June 2024 – Aug 2024
Full-Stack Web Development <i>AccioJob Institute</i> - Comprehensive MERN stack training including React, Node.js, Express, and MongoDB. - Developed multiple real-world projects emphasizing API integration and responsive design. - Focused on deploying scalable applications using Git, Vercel, and modern frameworks.	Aug 2023 – Feb 2025 <i>Gurugram, Haryana</i>
